

The Defense Procurement and Acquisition Policy, Defense Acquisition Regulations System Directorate (DARS), is seeking comments from Government and industry regarding potential changes to the Defense Federal Acquisition Regulation Supplement ([\*\*DFARS - 48 CFR Parts 204 and 252; Safeguarding Unclassified Information\*\*](#)). The proposed changes would create a new subpart and associated contract clauses, for safeguarding, proper handling, and cyber intrusion reporting of unclassified DoD information within industry. A public meeting regarding any proposed changes will be held on April 22, 2010, from 8 a.m. to 4 p.m. EST, at NASA Headquarters, Washington D.C. (see [\*\*Federal Register notice\*\*](#) for registration information). Comments can be submitted to DARS, in accordance with the instructions outlined within the Federal Register notice. Please [\*\*click here\*\*](#) for additional information.

The formal notice of proposed rulemaking and notice of public meeting can be found in: [\*\*Federal Register Vol. 75, No. 41\*\*](#) - Change Notification for Defense Federal Acquisition Regulation Supplement (DFARS – 48 CFR Parts 204 and 252; Safeguarding Unclassified Information).

DSS employees are reminded that they may not submit comments on behalf of DSS during the rulemaking process without the approval of the Director, DSS.
